Business-building, transactions and board advisory

I combine over 25 years of executive and advisory experience spanning business founding and operations, transaction negotiations, and advisory work with owners and boards. My experience covers opportunity evaluation, asset development, deal structuring and institutional decision-making. I support boards and executive teams in converting complex opportunities into executable, measurable initiatives that balance financial return with sustainable impact.

Institutional Readiness	M&A Negotiations	Endowment Investment	Leadership Experience
+132M	60+	100M+	25+
SAR	estimated value impact at Al-Aqsa Schools through institutional readiness program	Branches	coffee chain M&A transaction led domestically & internationally	SAR	endowment portfolio governed and managed at King Abdulaziz University	Years of executive and board-level advisory experience

Selected Professional Experience

Founder & Strategic Advisor

2026 | Present

Hatta Business Solutions Company

> Established an independent advisory practice in investment, governance and transformation for family-owned and commercial companies

- Support boards and executive teams in opportunity evaluation, investment memoranda and decision files, linking recommendations to returns, risks and execution feasibility.
- Analyze assets and growth opportunities, develop business models and feasibility cases, and structure deal, partnership and transformation pathways.
- Build governance, delegation-of-authority and performance frameworks that strengthen decision quality and the tracking of returns and impact.
- Develop digital solutions and knowledge programs connecting leaders with practical tools, international markets and proven practices.

Founding Member & Board Member

2020 | Present

Restaurant & Café Owners Association | RCOA

> Helped establish a professional entity representing a sector of approximately 6,500 restaurant and café owners

- Contribute to the association's institutional and governance framework and develop initiatives serving owners and operators.
- Participate in board decisions and translate sector needs into executable, measurable initiatives, partnerships and programs.
- Played a central role in establishing and organizing the Hospitality Forum and convening industry leaders and stakeholders.
- Design specialized knowledge journeys to international exhibitions and markets to build alliances and transfer expertise.

Executive & Strategic Advisor

2023 | 2025

Muneef Al-Nahdi Group and Related Entities

> Mandates: Muneef Al-Nahdi Group, Al-Aqsa Schools, Amer bin Abdullah Al-Nahdi Endowment, and Muneef Al-Raeda Company

- Advised the Group on governance, risk and restructuring matters, contributing to legal cases and intellectual-property recoveries with material financial impact.
- Led an 18-month institutional-readiness program for Al-Aqsa Schools, covering restructuring and the school/company separation model, with an estimated enterprise-value impact exceeding SAR 132M.
- Repositioned endowment real-estate assets toward disciplined long-term investment and engaged a specialist firm to establish Sharia and organizational governance.
- Oversaw family ownership and real-estate portfolio matters and contributed to the family charter and related ownership-governance frameworks.

Founder & CEO

2010 | 2025

Atheel Coffee Investment Company

> Led M&A negotiations for a 60+ branch coffee chain across Saudi Arabia and international markets

- Founded and developed a coffee investment and operations company over 15 years, building a sustainable business model, brand and customer experience.
- Led a merger project between two major Saudi coffee operators, covering financial and operational analysis and the strategic design of the combined entity.
- Oversaw a strategic acquisition file for a major coffee chain valued in the hundreds of millions, including valuation, risk and competitive analysis.

Business Development Manager & Project Manager

2009 | 2016

Scientific Endowment, King Abdulaziz University

> Investment portfolio exceeding SAR 100M within a formal governance framework

> Revenue growth: +600% | Subscriber-base growth: +1,700%

- Evaluated investment opportunities and prepared analytical decision files for senior Investment Committee members.
- Developed sustainable funding programs and represented the endowment in exhibitions, workshops and institutional partnerships.

Digital Solutions

Practical diagnostics that help leaders and business owners prepare, assess and decide.

- Interactive Authority Matrix ↗
- Majalis Board Operations System ↗
- Emtidad Platform ↗

Naif's Interactive Tools

Digital tools developed to translate investment, deal, governance and risk expertise into practical diagnostics that help leaders and business owners prepare, assess and decide.

01

Interactive Authority Matrix

Clarify who recommends, reviews and approves decisions across ownership, board and management.

02

Partnership Calculator

Estimate contributions, distribute equity and prepare key partnership terms.

03

Majalis Board Operations System

Manage board, assembly and committee meetings, documents and resolutions.

04

Emtidad Platform

Diagnose family-business sustainability and intergenerational readiness.

05

Company Valuation & Readiness Guide

Indicative valuation and readiness support before investor entry or deal negotiations.

06

Enterprise Risk Observatory

Build, assess and monitor an enterprise risk register and treatment plans.

07

Tawassu | Branch Expansion Decision Tool

Assess a proposed branch by business type, sales mix and location, highlighting its risk level and key decisions before signing.

08

Mukhaalafat | Objection Preparation Assistant

Organize violation details, check the deadline, prepare the objection text, and identify the submission method.

09

M&A Pre-Screening Engine

An initial view of readiness, gaps and red flags before negotiations and professional due diligence.

10

Ad Compliance Checker

Review an advertisement before publication and identify licensing, content and customer-data requirements for the selected campaign and channels.

11

Growth Path Explorer

Select growth direction, scale of change, execution method and institutional readiness.

Knowledge Journeys

Professional Knowledge Journeys

Design and delivery of professional programs for companies and associations, combining international exhibitions, sector visits, and meetings with companies and experts to connect applied knowledge with relationships and collaboration opportunities.

Journey example

Knowledge journeys have previously been organized in China and Korea, with new journeys in development. The Cafe Show Seoul 2026 page presents an example of the journey format and program.
